

November 21, 2025

Lex Mulhall:

On behalf of Hinsdale County Search and Rescue, we would like to utilize Memorial Park for monthly helicopter training to facilitate proficiency with backcountry SAR operations and medevac assistance. The training agency is Flight for Life Colorado based in Durango. The training will be held the first Monday of each month from 9am-12pm starting 12/1/25 through 12/7/26. Some months during the summer will likely be held at other locations within Hinsdale County.

If you have any questions please feel free to reach out.

Thank you for your support of HCSAR.

Kindly,

Harry MacKendrick
