

Non-Profit Budget Request

Lake City Arts

Dear Town of Lake City,

My name is Ingrid Burnett and I am the newly appointed president for Lake City Arts. As you know, LCA is literally and figuratively a cornerstone for a lot of activity that happens in Lake City. Our building is on the corner of 3rd and Silver and we host many events that bring much of our community together.

Due to the age of our building, we are consistently working to maintain and ideally improve the building. This takes a lot of effort and is a large part of our operational budget. We are currently seeking support to contribute to our ongoing maintenance used at the board's discretion, but could be applied to window repair (particularly on the sun-baked south side), door repair, exterior painting, floor maintenance, etc.

We're reaching out to kindly request a donation of \$5,000. Your donation will be used to directly support the upkeep and maintenance of this beautiful, historic building. Please let me know if you need any additional information.

Thank you for considering our request. We truly appreciate your time, generosity, and support.

Warm regards,

Ingrid Burnett
