

March 24, 2026`

Town of Lake City,

We approve of the 2 requests, one for the variance permit and one for the conditional use permit, from Dynamic Planning and Science for Block 21 in Lake City.

We did read the housing report and were quite surprised at how serious our housing shortage is. The plan to build apartments and condos is an excellent solution. We appreciate the hard work and time all participants invested in this project.

Respectfully submitted,  
Alan and Cindy Rae  
215 Galena Ct. (our permanent, year-round address)
