Dear Board of Trustees,

The Colorado Grand Annual Classic Car Charity Tour has requested a coffee stop in Lake City on Wednesday, September 16th. The event will feature approximately 95 vintage cars and 300 attendees, including support staff and Colorado State Patrol escorts. Arrivals are expected to begin around 10:00 AM, with the event concluding by approximately 2:00 PM.

In exchange for hosting this stop, the organizers intend to make a significant donation to Hinsdale County Search and Rescue (HCSAR). I am coordinating this event on behalf of HCSAR. Commissioner Kristie Borchers has confirmed there is no conflict with the Wine and Music Festival setup. Parks and Recreation Director Ben Hake has confirmed the Town Park's availability, generously waived the rental fee, and added the event to the calendar.

HCSAR is respectfully requesting the Board of Trustees approval to reserve parking for the event. If possible, we would like to designate Silver Street (between 2nd and 3rd Street) and 3rd Street (between Gunnison Avenue and Bluff Street) as dedicated parking areas for the duration of the event.

I am working with Town Manager Alexander Mulhall to get on a future board agenda to discuss in person. In the meantime, additional information about the Colorado Grand can be found at: [co1000.com](http://co1000.com).

Best regards,

Andrea Woods
