Dave Roberts

Mayor,

Town of Lake City

Dear Dave,

I am sorry for the tardiness of this response. We've been rather distracted by Hamlet's recent illness. He is recovering well thanks to the persistence of Linda Downs.

I was touched to tears when I came to your article about me in the "Silver World" I certainly never would have thought anyone would write about me.

It was great timing with the new accessible play ground coming together in Town Park. One of the small things I had a hand in was the red side walk that allows wheel chair access from the play ground to the rest rooms.

I hope there are more plans to make our town even more accessible to all. I'm always here to help.

Sincerely,

Mary Nettleton
