Re: 2026 CML Annual Conference Scholarship Application for Alexander (Lex) Mulhall, Lake City
Town Manager

Dear Ms. Rosen,

The Town of Lake City Board of Trustees is pleased to express our support for Town Manager Alexander (Lex) Mulhall's attendance at the 2026 CML Annual Conference. Lex is still relatively new to municipal management with 3 years of experience and has taken what he has learned at previous conferences and used it to benefit Lake City. We have recently hired a new town clerk and a new administrative secretary/deputy clerk who are both new to municipal government. Conference registration fees, lodging, and travel expenses to attend the conference will take up a significant portion of this year's training budget for our administrative staff, leaving little to provide other necessary training opportunities for our new clerks.

We know how valuable attendance at annual CML conferences can be for our staff and board members. Your favorable consideration of Lex's scholarship application will be very helpful and greatly appreciated.

Sincerely,

Dave Roberts
Mayor
