Re: Lake City Blooms 2025 report

Thank you for your contribution to Lake City DIRT for the 2025 Lake City Blooms project. These displays of flowers increased the beauty of our community.

Lake City DIRT received \$1,700 funds from the Pioneer Jubilee Women's Club. We matched these funds with \$645.44 of reimbursement from Town of Lake City (for 2 additional flower pots), Hinsdale County (for administration office and Courthouse flowers), the Lake City Library, and the Visitor's Center. Lake City DIRT funded one additional lamppost hanger by Cowboy Steel for the new pole on 8 ½ street bridge (\$140.00) plus an additional DIRT cash contribution of \$289.36. The Town of Lake City's parks and recreation program waters and fertilizes the lamppost flowers for an estimated in-kind contribution valued at \$3,000.

INCOME

Flowers sold to Library/County/Visitor's Center/Town (extra 2 used at pavilion): \$645.44
